EDUCATION

Maharaja Agrasen Institute Of Technology   Delhi
Btech (IT) : 8.98 (GPA)   2021-25
New Delhi Public School   Delhi
Class 12th : 90.2%   2020

EXPERIENCE

INDITECH   Delhi
Developer Intern   11/04/2024 – Present

- **Developed a healthcare solution using HTML and PHP.**
- **Engineered a patient portal system enabling secure form submissions and backend data storage for personalized treatments; decreased manual data entry by 30% and elevated patient satisfaction through customized healthcare solutions.**

KARYAKARAM   Delhi
Front-end Developer Intern   12/2023 – Present

- Developed front-end components and user interfaces for websites as a front-end developer intern at KARYAKARAM.
- Collaborated with the development team to create visually appealing and responsive web pages using HTML, CSS, and JavaScript.

ACADEMIC PROJECTS

YouTube Clone

- **Engineered a sophisticated YouTube clone leveraging React, Context API, and YouTube Data API**, enabling real-time video data fetching, seamless navigation, and dynamic video playback with a highly responsive, user-friendly interface.
- **Designed and implemented a fully responsive layout using Tailwind CSS**, ensuring optimal accessibility and user experience across all devices, complemented by advanced state management for efficient global state updates.
